

**2025-2027 ACTION PLAN OF JURISAI'S
CAPACITY BUILDING COMMITTEE**

ACTION PLAN OF THE CBC FOR THE PERIOD 2025-2027

<i>Strategic Objective 2: Strengthen capacity-building and development activities within SAIs with jurisdictional functions</i>						
Objective 2.1	Expected Result 1	Activities	Outputs	2025	2026	2027
Develop training, continuing education, and exchange programs and projects tailored to the needs of SAIs with jurisdictional functions.	Comprehensive training and education programs will be implemented, which will ensure that member SAIs have well-trained and qualified staff.	Conduct an online discussion to determine priority areas for training.	Online meeting held.	✓	-----	-----
		Organize in-person or online training sessions based on the identified priorities.	Training sessions organized.	-----	✓	✓
Objective 2.2	Expected Result 2	Activities	Outputs	2025	2026	2027
Create exchange programs and partnerships for training and institutional capacity building.	Opportunities for better integration and dissemination of capacities and best practices through immersive experiences.	Implement partnerships with INTOSAI, IDI, and other stakeholders.	Partnership agreements signed and implemented.	-----	✓	✓
		Develop exchange and experience-sharing programs among member SAIs.	Exchange and sharing programs established.	-----	✓	✓
		Organize immersion internships for the staff of member SAIs.	Internships organized.	-----	✓	✓
Objective 2.3	Expected Result 3	Activities	Outputs	2025	2026	2027
Develop, disseminate, and use assessment and maturity tools to identify and seize development opportunities within member SAIs, with a focus on less developed countries or SAIs that have recently expanded their mandate to jurisdictional activities.	Member SAIs will have access to advanced assessment and maturity tools, enabling continuous improvement of their jurisdictional activities.	Develop guides and assessment tools for the jurisdictional control of SAIs.	Guide and tools developed.	-----	✓	✓
		Dissemination of guides and assessment tools for the jurisdictional control of SAIs.	Assessment guides and tools available and disseminated to member SAIs.	-----	✓	✓

		Conduct peer review activities among JURISAI member SAs.	Peer review missions are carried out.	-----	✓	✓
Objective 2.4	Expected Result 4	Activities	Outputs	2025	2026	2027
Promote the development and implementation of standards as well as the dissemination of best practices.	Carrying out work focused on strengthening the principles of jurisdictional activity, contributing to institutional capacity building.	Conduct a review of best practices.	Document presenting an overview of the current situation.	✓	-----	-----
		Organize exchange workshops on common practices based on INTOSAI P-50 principles and guidelines.	Workshops organized.	-----	✓	✓
		Development of standards and guidelines related to jurisdictional activities.	Standards and guidelines developed.	-----	✓	✓
		Dissemination of standards, guidelines, and best practices related to jurisdictional activities.	Standards and guidelines disseminated.	-----	✓	✓
Objective 2.5	Expected Result 5	Activities	Outputs	2025	2026	2027
Develop and promote relevant legal requirements for the jurisdictional functions of SAs in order to strengthen their protection and independence.	A quality standard for relevant legal provisions will be established by JURISAI, enabling SAs to strengthen their independence in the exercise of their jurisdictional functions.	Develop a standard on legal requirements for the jurisdictional functions of SAs that strengthen their protection and independence.	Standard developed.	-----	✓	-----
		Dissemination of the standard.	Standard available and disseminated.	-----	-----	✓
